MEMORANDUM FOR CHIEF SCIENTIST, DEFENSE INTELLIGENCE AGENCY

SUBJECT: SUN STREAK *Interim* Operational Report - 8916 (U)

SG1A

1. (S/NF/SK) During the period of 7 APR 89 to 24 APR 89, inclusively, 17 sessions were conducted to determine the location of a wanted felon identified as [REDACTED], and to provide certain Essential Elements of Information (EEI) concerning him and his location. These EEI are addressed by viewer as tasked:

2. (S/NF/SK) Perceptions of Remote Viewer 003:

b. *Area Description:* A western coastal area of mild climate; part of the Americas, with a desert to the east. The local area (TAB A) is suburban, mainly large isolated estates near a dense, modern city and major roads. The local language has a "Spanish" or "Italian" flavor.

SG1A

c. *Residence/Habitat:* A large, multi-storyed, "porticoed" white building with a red roof (TAB A), surrounded by a white wall and circular drive (TAB B), located on a winding, landscaped road. It is roomy, dimly lit, cool, sparsely furnished, and orderly. He is here as a "guest" of the owner, for the mutual self-interest of both parties.

SG1A

d. *Present Appearance and Activities:* [REDACTED] is medium height, stocky, with tan skin and dark eyes. He is opportunistic, taking advantage of people by winning their confidence. He feels generally safe. He represents himself as something he is not, but does not go out of his way to make it believable. It is nothing more than a way to provide those with whom he is dealing with a means of "plausible denial", in the event something goes wrong. He presently feels anticipation and fascination at the prospect of completing some activity which is new to him. This is perceived as dealing with narcotics.

SG1A

e. *Current Alias, if any:* "Rr-a-(k or t)-oh-nn"

e. *Current Location:* In Mexico, in the western coastal area almost due west of Mexico City (TAB D).

3. (S/NF/SK) Perceptions of Viewer 011:

a. *Current Location:*

a. *Area Description:* An isolated, rural area in a warm climate, with heavy vegetation, including large, broadleaf trees. The house is on a small gravel road with a large body of water nearby (TAB E).

SG1A

b. *Residence/Habitat:* The house is a multi-storyed farmhouse in run-down condition and an old barn and smokehouse adjacent to it. It is surrounded by trees and fronts on a gravel road. The front has a

~~None indicated~~

e. ~~Current location: In northern Wyoming, in the town of Lovell (TAB K).~~

~~Lovell (TAB K).~~

6. (S/NF/SK) Perceptions of Viewer 095:

a. ~~d. Area description: Sunny and warm, but not desert-like. It has rocky, rolling hills, and low vegetation. There is a large body of water far to the east, which has cypress-like trees. There is a "foreign" (non-U.S.) flavor, with a melodious language. The local area is rural, on the outskirts of a small "town", consisting of no more than 10 buildings sitting directly on a winding and narrow two-lane road which leads away from the town, past his present residence, and on through a pass between two hills (TAB L).~~

b. ~~Residence/habitat: A large, long, three-storied white building with a beige-brown roof and a grimy exterior of flaking plaster. There are no doors on the side facing the road. External stairs on the end of the building nearest the town lead up to a top floor where lives in the rear (TAB M).~~

c. ~~A present appearance and activities: is tall, thin, and very tan with curly hair and dark eyes. His eyes look unnatural because they do not match his facial expression, or because he is wearing colored contact lenses. He is in his 30's, has crow's feet lines around his eyes, and a mark on the left side of his face. He pretends to be easy-going and friendly, but is inwardly disgusted by most people. This outward friendliness is useful in his job, gaining him acceptance. At work, he wears a white, open-collar shirt and blue pants. His job is as a trucker or delivery man, driving a flat-fronted van on a "circuit" through hills on long, narrow, winding roads.~~

d. ~~A current alias, if any: is presently using a first name sounding like: "Kuh-rah-i-(ss or th)-tuh-uh-nn" (possibly "Christian"), and a last name sounding like: "M-(er or ur)-ee-(duh or tuh)" (possibly "Meredith").~~

e. ~~Current location: In central Mexico (TAB N) near the town of Ciudad de Rio Grande (TAB O).~~
